

ICC's Annual Financial Report

ICC was supported by individuals, churches, foundations, and ministry partners during 2007. ICC is a faithful steward of the Lord's money (and our donors' trust). Given that mindset, we strive to keep our General & Administrative, plus Fundraising, expenses to less than 10% of our total income.

| Fiscal Year | 2007 | 2006 | 2005 | 2004 |
|-------------------|-----------|-----------|-----------|-----------|

ICC's Fundraising and General and Administrative expenses as a percentage of total income was 13.4% in 2007.

* Program expenses are funds we are spending to do ministry. For instance, if we provide support for a persecuted pastor, that is considered a "program expense." Other examples include support payments to the families of imprisoned pastors, and funds spent on training underground pastors.

** This figure is derived by using an arbitrary percentage of all general and admin expenses.
